

## Asia to South America East Coast Transshipment Services

### More Services More Options

Celebrating its 15th year of strong presence in the Asia - South America East Coast trade, Hamburg Süd continues to develop new and reliable products to meet our customers' demand and high expectations when it comes to optimizing their supply chain.

Therefore, in addition to our direct 'ASIA Service' currently comprised of three slings, we offer seven new alternative routings through dependable connections via Europe, South Africa and the Panama Canal. With higher frequency of sailings backed-up by our global service network, customers can benefit from multiple days of departure each week to connect their businesses with markets in Brazil, Argentina, and Uruguay – **No matter what.**

### Service Highlights
