

Asia to Europe and Mediterranean NERA and SERA Services

Revamped Services Reliable Products

In May 2018, Hamburg Süd in partnership with 2M consortia launched a revamped version of our services between Asia, Europe and the Mediterranean. Through carefully revised port rotation and additional buffer time for cargo operations, Hamburg Süd is now able to provide our customers with market leading products in terms of speed, schedule reliability and sailing frequency – up to our high standards.

The improved NERA and SERA services, coupled with our solid intermodal network continue to offer the most comprehensive coverage within Europe, East and West Mediterranean, directly and with relay services in North Africa and Middle East.

With unchanged level of care and commitment to our customers and their business, we are confident to serve your every need in these markets and beyond – **No matter what.**

Hamburg Süd's highly personalized customer service, specialized cargo care and local expertise are at your disposal through our 250 offices worldwide. Please contact us to find out more about our services.
