

China Shanghai Intermodal Network Service

Hamburg Süd has expanded our intermodal network in Yangtze River Delta region; through reliable linkage and collaboration between Yangshan Port, Waigaoqiao Port and Luchaogang Railway Station. We offer flexible and seamless ocean-water and ocean-rail connection to Suxichang* area in Jiangsu province – **No matter what.**

* Suxichang includes Suzhou, Wuxi, Changzhou, Jiangyin, Zhangjiagang, Taicang and other state.

● Barge ● Rail Station ● Seaway Terminal

High Capacity | Well-established terminals guarantees a smooth shipping experience

All-in-one | Enjoy a custom-delivery plan with just one simple booking

Efficiency | Integration of mixed transportation modes reduces and ensures the delivery schedule

Sufficient Equipment Supply | Inland / railway pick-up is available at your location

Stability | Hamburg Süd long-term strategic relationship with the terminals assures performance
