Customer Information

Our new Asia–Europe/Mediterranean network

April 2018
Hamburg Süd is pleased to advise customers about our improved Asia–Europe/Mediterranean network commencing in May 2018. As partner on the 2M alliance, Hamburg Süd will continue to offer 8 weekly departures covering 40 ports on a direct basis:

- Asia – North Europe: 6 sailings per week
- Asia – Mediterranean: 2 sailings per week

Traditional challenges such as port congestion and adverse weather conditions (predominantly in Asia) have caused some schedule disruption in 2017. In response, 2M has made adjustments to the Asia to Europe/Mediterranean network with the aim to enhance reliability by reducing the amount of duplicate port calls and adding more buffer time around hub ports.

Competitive direct port coverage in all main tradelanes will be maintained.

Coupled with Hamburg Süd’s outstanding level of personalized service, customers will benefit from this improved network.

Combined with our intermodal network and continued comprehensive coverage of the North-South trades with offices and agents in all key markets we welcome the opportunity to serve your transportation needs in the Asia – Europe/Mediterranean trades.
